*The 1950s* Nick Bentley 2018-09-06 How did social, cultural and political events in Britain during the 1950s shape modern British fiction? As Britain emerged from the shadow of war into the new decade of the 1950s, the seeds of profound social change were being sown. Exploring the full range of fiction in the 1950s, this volume surveys the ways in which these changes were reflected in British culture. Chapters cover the rise of the 'Angry Young Men', an emerging youth culture and vivid new voices from immigrant and feminist writers. A major critical re-evaluation of the decade, the book covers such writers as Margery Allingham, Kingsley Amis, E. R. Braithwaite, Rodney Garland, Martyn Goff, Attia Hosain, George Lamming, Marghanita Laski, Doris Lessing, Colin MacInnes, Naomi Mitchison, V. S. Naipaul, Barbara Pym, Mary Renault, Sam Selvon, Alan Sillitoe, John Sommerfield, Muriel Spark, J. R. R. Tolkien, Angus Wilson and John Wyndham.

Yet, as Geoffrey Skelton points out, the opera has enjoyed a separate popularity and existence from the Ring Cycle. George Gillespie shows just how the string of mythical events was converted into a drama remarkable for its concentrated excitement and fine construction. Barry Millington introduces the web of motifs in the complex score. Whispers and glares greet me at every turn. Students accuse my dad of killing the previous king, his brother. My first night, the most popular girl tries to kill me. I barely escape, only to run into Bash. He's older and one wrong move from being expelled. Also as gorgeous as he is arrogant. For some reason, he keeps looking at me with concern in his eyes while giving me a crooked smirk. Almost makes me forget all my problems. But I can't let myself get side-tracked by him. I won't. If I'm to survive the academy, I need to focus on staying alive. Unfortunately, that means relying on Bash—and he's a distraction that could very well cost me everything... A.J. Flowers Welcome to Valkyrie High School... Time to Reap my First Soul The first law of the Valkyrie is "Don't fall in love." I messed that one up... big time. I failed my sisters and fell in love with William Johnson.

I've watched him for three lifetimes and a little piece of me broke every time I had to let him die. I paid the price for breaking the first law of the Valkyrie. I lost all the memories I had of Will. That's why Sam is keeping tabs on me. She's an ever-present shadow during my time at Mattsfield High. Sam is the perfect Valkyrie. Tall. Beautiful. Heartless. I may not remember Will, but my heart does. If Freya thinks I'm going to be a good little Valkyrie this time around... she's wrong. Valkyrie Landing is the first in the highly-acclaimed series "Valkyrie Allegiance." Ideal for readers of strong heroines, urban fantasy themes, and a heavy dose of Norse Mythology (as well as a spaceship or two). You'll be blown away by this character-driven trilogy that'll take you all the way to Ragnarok, so hang on tight!

**The First Valkyrie** S. C. Coleman 2018-08-10 Where did the Valkyries come from? We know them as avenging angel women. They wore bright armor and rode flying horses into battle. Well, there are many legends about them. Here is one more to add to the valkyrja lore. Working with myth, it is sometimes necessary to take liberties with historical folklore. Ok, ok, you got me. There are a lot of liberties taken with this book. In fact, this story does not take place on Earth; at least not what we know Earth to be. At the turning of an age, this world is struggling to oppose a dark force. The well named Dark Queen Magiya is waging war on the whole continent. If her war continues, then soon there will be only beasts inhabiting the world. A young woman, named Eleesa, begins her journey that will culminate in the showdown of ages. The Kingdom, or Queendom, she comes from is known as Bahl. It just so happens, the Dark Queen Magiya rules ~~Cheris~~*Cheris*~~Brink~~*Brink*~~Eldwa~~*Eldwa*~~Ba~~*Ba* born in. Eleesa must escape this place to find her true nature. She must first endure a series of tribulations. During her journey she will face a house filled with snakes, a jealous queen, and a mountain infested by bear men. She will meet a bundle of misfit companions along the way including: Diodo the Writer, Jaco/Marco, and even a venomous snake. Her counter-part, Queen Magiya, is busy waging war on the land. At the right hand of the Queen is a General named Hamo. He is a famous General caught between light and darkness. Will Eleesa survive? Will the Dark Queen take over the world? Will General Hamo find peace? You may not like the answer. The forces of light and dark ~~will fight~~*will fight* those damned few caught in the middle. Enjoy this account of how the first valkyrja was born.

**Claimed by Gods** Eva Chase 2019-09-06 The gods walk among us. And they just might steal your soul... or your heart. I thought I'd survived everything life could throw at me. All I wanted was to keep my distance from the criminals I work for and get my little brother out of the hell that is our mother's house. Then I died and woke up to four stunningly hot gods telling me I'm now a valkyrie. Sly, sharp Loki. Jovial but ferocious Thor. Dreamily compassionate Baldur. Grim and secretive Hod. They all have something to teach me. And around them, my walls start to crack. But the gods didn't summon me just for kicks. Their king is missing, and they need me to find him. The first three valkyries they sent on the job never made it back. More power is awakening in me than I could ever have imagined--and the gods' enemies are more devious than even they knew. It's going to take every trick in the book for me to save myself, my brother, and these divine men who're getting under my skin in the most alluring way. I'm Aria Watson, and Valhalla ain't seen nothing yet.

On purpose.With genie powers I shouldn't be able to use, thanks to my curse-mark.In my defense, the damn grizzly was threatening civilians and might have been a vampire as well. Pittsburgh is safer without him. Only the Fae court doesn't believe my story, and the shifters are out for blood.Now I've lost my job as a romantic investigator, and I'm on death row. My only hope is an oddly outgoing vegetarian vampire lawyer who seems strangely familiar. Too familiar. Almost like we've met before, and this whole thing was a set-up to take us both down.Wishing won't get us out of this mess.But my forbidden wish magic just might. A snarky urban fantasy with a heart, some romance with heat (nothing graphic), and gleeful send ups of many tropes, all wrapped up with an otter-shifter in the bargain.

**Valkyrie Rising** Ingrid Paulson 2012-10-09 Nothing ever happens in Norway. But at least Ellie knows what to expect when she visits her grandmother: a tranquil fishing village and long, slow summer days. And maybe she'll finally get out from under the shadow of her way-too-perfect big brother, Graham, while she's there. What Ellie doesn't anticipate is Graham's infuriating best friend, Tuck, tagging along for the trip. Nor did she imagine boys going missing amid rumors of impossible kidnappings. Least of all does she expect that something powerful and ancient will awaken in her and that strange whispers will urge Ellie to claim her place among mythological warriors. Instead of peace and quiet, suddenly there's a lot for a girl from L.A. to handle on a summer sojourn in Norway! And when Graham vanishes, it's up to Ellie—and the ever-sarcastic, if undeniably alluring, Tuck—to uncover the truth about all the disappearances and thwart the nefarious plan behind them. Deadly legends, hidden identities, and tentative romance swirl together in one girl's unexpectedly epic coming-of-age.

Rachel Redhead 2015-07-24 Libby plans to visit Norway, to study up on the history of the werewolf legends for the thesis. Raff is also in Norway, meeting up with Bjorn, an old friend from way back.

Circumstances throw all three together, at the exact same time a werewolf is terrorizing the neighbourhood. Who is the mysterious Ragnhildr and why is she hunting werewolves? What happened to Libby and Charity on Haiti and what does fate have in store for Alkir? Who is Fiona Morrigan and why are Malice and Judy in Singapore? The answers to some of these questions will amaze, the rest will terrify...
