The Side of the Angels Christina Bartolomeo 2010-05-11 Fresh on the heels of her New York Times Notable debut novel, Cupid and Diana, Christina Bartolomeo delivers a charming romantic comedy that's serious at heart. Nicky Malone, a public relations flack, hasn't seen ex-boyfriend Tony Boltanski in five years, when a contentious, high-stakes, and slightly nutty nurses' strike brings them together again. Despite their separation and the fact that they're both seeing other people, they still share the same interests: fighting for the little guy -- in this case, the beleaguered nurses at a small Catholic hospital that has just been taken over by an enormous health care conglomerate -- and fighting each other. While struggling with the strike and her growing feelings for the still exasperating, pigheaded Tony, Nicky also tries to cope with her nagging widowed mother, who desperately wants Nicky married; a slick boss who promises clients more than Nicky can possibly deliver; and an officious assistant who has read too many articles about cutthroat career women. But for Nicky, those troubles pale in comparison to dealing with a bumbling romance between two cousins from opposite sides of her family: Louise, a professional matchmaker with a chaotic love life, and Johnny, whose love for Louise hasn't stopped him from becoming engaged to another woman. Can Nicky help a group of hardworking nurses pull off an unlikely victory against a corporate giant? Can she force Johnny to see the error of his ways and declare his love for Louise? And can she ever make the right choice between her current beau and the guy who got away? Warmly amusing and sparkling with insight and keen wit, *The Side of the Angels* is a refreshing, realistic look at the demands -- and rewards -- of career, commitment, Catholicism, and unforgettable love.

But, the object of his sudden, mad passion, Roses Schultz, a former ballerina, will have nothing to do with him. With sympathetic neighbors and friends conspiring to make a match between the two, an orchestrated mayhem ensues. Cupid Resigns is the cheeky, charming romantic comedy by Diana Shapiro that proves that the gods must be crazy, and that humans are even nuttier still. When Cupid is cast out, he ends up in the respectably attractive body of a human named Ethan Fielding. Before you know it, his golden arrow goes horribly awry, and pierces the heart of a chiropractor named Trock Vandermere. He is instantly smitten with the woman beside him, an artist named Roses Schultz with a keen eye and penchant for baggy clothes.
